\*\*\*\*

The District Managers are informed to furnish the details of the CMR Rice delivered to the FCI during the month and VAT received from FCI on CMR sales immediately, as this is a statutory requirement and if not complied with, Corporation will be penalized by levying interest and penalty. **The Commercial Tax Department is very much particular on payment of VAT amounts immediately on receipt of VAT from FCI.** These instructions are being issued as some of the District Managers have not furnished VAT on CMR Rice sales to FCI, though the FCI paid the VAT on CMR rice sales, to the Corporation from April 2010 to September 2010. After receipt of notice from the CTO and after our repeated requests only , we could receive the information on realisation of VAT, from the District Managers and arranged payment to CTO.

**Therefore it is requested to bestow personal attention on this matter and furnish the information on CMR deliveries to FCI VAT received from FCI, regularly in the monthly Periodical without fail. If no VAT is received on CMR sales NIL report may be sent.**

The Matter is most important.

  
**GENERALMANAGER (FINANCE)**

To,

All the D Ms /ZMs APSCSCL for favour of information and strict compliance
